

Overview: Yacht Boarding Systems Inc. is a premier provider of innovative boarding solutions tailored for boats and yachts as well as other maritime vessels. Our cutting-edge products are designed to enhance safety, convenience, and efficiency in boarding operations, catering to the unique needs of vessel owners, operators, and crew worldwide.

Core Competencies:

1. **Customized Boarding Solutions:** We specialize in designing and manufacturing customized boarding systems tailored to the specific requirements of individual vessels. Our team works closely with clients to understand their needs and deliver solutions that meet or exceed expectations.
2. **Advanced Technology Integration:** Leveraging the latest advancements in technology, we integrate state-of-the-art components and systems into our boarding solutions. Our products are at the forefront of innovation in the maritime industry.
3. **Safety and Reliability:** Safety is our top priority. We incorporate and employ durable materials to enhance reliability and performance in any maritime environment.
4. **Ease of Use and Accessibility:** Our boarding systems are designed with user-friendliness and accessibility in mind. Intuitive, ergonomic designs, and seamless integration with existing vessel infrastructure ensure effortless operation and hassle-free boarding experiences for passengers and crew alike.

Key Products and Services:

- **Gangplanks and Boarding Ramps:** Our range of gangplanks and boarding ramps offers safe and convenient access between vessels and docks or other vessels. Customizable options include different mounting systems and anti-slip surfaces.
- **Passerelles and Side Boarding Systems:** Our passerelles and side swivel, angel boarding systems provide versatile boarding solutions for

vessels of all sizes. Featuring adjustable angles. These systems ensure easy access in various docking scenarios.

- **Safety Equipment and Accessories:** In addition to boarding systems, we offer a range of accessories, including handrails, to further enhance safety and comfort during boarding operations.

Past Performance: Yacht Boarding Systems Inc. has a proven track record of delivering high-quality boarding solutions to a diverse clientele, including private boat/yacht owners, U.S. Coast Guard, charter companies, and other maritime institutions. Our portfolio showcases successful installations and satisfied customers worldwide.

Certifications and Compliance: We adhere to industry best practices. Providing peace of mind to our clients and stakeholders.
